## OCTOBER GIANT AUCTION & HOT DOG FEAST

### IT'S OCTOBER . . . AND GIANT AUCTION NIGHT HAS ROLLED AROUND AGAIN.

All members are encouraged to bring your 'White Elephants' and excess coins, your coins that have been upgraded or stuff that you just don't want any more. Also bring along enough cash, because you never know what comes up in this annual event. And just to get everyone in the mood for bidding, Sally Johnson and 'Beanmeister', Ron Ishizaki, with the help of others will prepare a grand wiener feast. Experience tells us that these two have put on many grand events in the past, so come early, around 7 PM, bring your appetite, your stuff to sell and your cash and let's party. If you bring cookies, cake or a pie, we'll have desert. We'll also have our regular show & tell, auction and raffle. Check it out; there's three gold prizes in this month's raffle.

'EIGHT CENTURIES IN EIGHT MINUTES' was the title of Chuck White's talk at the September meeting.

It took a little longer than eight minutes, but as it is in all of Chuck's programs, it was interesting and humorous. Chuck brought a lot of knowledge to the program. He has a broad range of interests, which includes ancient coins. Most of Chuck's presentation covered Greek and Roman coins and he displayed an ample amount of examples for everyone to examine. Thanks Chuck. We look forward to your next one.

Chuck White, presenting "Eight Centuries in Eight Minutes"

San Jose Coin Club meets on the 2<sup>nd</sup> Wed. of each month (October 12<sup>th</sup> this month) at American Legion Hall, Post 318, 1504 Minnesota Ave., San Jose. Doors open at Approx. 6:30 PM, Youth Activities at 7:00 PM and the General Meeting at 7:30 PM.

## SAN JOSE COIN CLUB AUCTION RULES

San Jose Coin Club invites all members to participate in this important part of our monthly General Meeting. Since this month is 'Giant Auction' night and we have so many new members, it seems appropriate to print the club's auction rules.

### Auction Consigners

Auction consigners must be members of the San Jose Coin Club and be present at the time of the auction. There is no fee for submitting lots into the SJCC Auction.

Auction items must be listed on a club authorized Auction Sheet. These sheets can be obtained from the Auction Chair, President or other Board Member/Officer prior to the General Meeting.

A maximum of three auction lots are allowed at each monthly auction. Each item should be clearly identified. An auction lot can contain as many numismatic items as you want.

Auction Sheets must be filled out and submitted before the beginning of the meeting (7:30 PM). All fields on the Auction Sheet must be printed clearly and completely. Neither, the San Jose Coin Club nor the Auctioneer will be held responsible for information on the Auction Sheet that is incorrect, poorly written or unintelligible.

The consigner is allowed to put a 'Hold Bid' on each lot. If the 'Hold Bid' is written on the sheet, it must be stated clearly. If the consigner doesn't wish to write the 'Hold Bid' on the sheet, he/she is allowed to make one audible bid from the floor.

When stating the 'Estimated Value' of the lot, be sure that information doesn't get mixed with your 'Hold Bid'.

Consigners should pick up their unsold items and proceeds from their sales only during the meeting break. Do not attempt to do this before the break, as the Auction Chair needs time to record the sales and it disrupts the meeting. The Auction Chair may

bring your items and proceeds to you during the meeting. To assure proper identification, consigner must print their name clearly in the lower left corner of the Auction Sheet and sign.

***Six lots are allowed at the Annual Giant Auction Night. If more than three lots are submitted, two separate Auction Sheets must be filled out. Three lots will be auctioned in the first segment of the auction and the remaining lots will be auctioned in the second segment.***

### Auction Bidders

It is the responsibility of the bidder to examine the auction lots before bidding. Bidder should examine the lots before the auction begins. Stopping the auction to examine a lot is disruptive.

Neither the San Jose Coin Club, nor its Auctioneer will be held responsible for items that are graded incorrectly, whizzed, counterfeit or stolen.

Minimum opening bid on any lot is one dollar. Raising the bid must be in increments of at least twenty five cents (25, 50, \$1.00, \$2.00, etc.).

No bidder is allowed another bid after he/she has made a 'Cut Bid'. Cut bid Example - Bidder 'A' bids \$22.00, Bidder 'B' bids \$24.00, the Auctioneer asks for a \$26.00 bid, Bidder 'A' bids \$25.00, a Cut Bid, Bidder 'B' bids \$27.00. Bidder 'A' has already indicated that he/she wasn't willing to bid more than \$25.00, therefore making them ineligible to make any further bids on the lot.

**Note: While the Auction is in progress, Please show courtesy to the auctioneer and participants by keeping the room quiet.**
