## Other Hobbies!

Last month we got to learn what our fellow members collect when they aren't adding to their numismatic collections. We had some fascinating talks on non-numismatic hobbies that our fellow club members have such as, Locomotive Builder Plates, electronics, Superman, Playing Cards, and even shooting. All of us have other hobbies and you never know when you're going to find something else you have in common with another member until nights like these. Did you miss this meeting and have another hobby you'd like to share? Don't worry as we typically do other hobbies each year where you can share your numismatic and other hobby, so get ready for the next one!

Come and join us for refreshments and a great talk from one of our club members. **Brian** has given us all many educational talks over the last few years and loves to share his vast knowledge of the hobby, so don't miss this talk!

A big thank you goes to the Santa Clara Coin, Stamp and Collectibles Show for allowing San Jose Coin Club to sell raffle tickets to help support their youth program! Special thanks goes to **Scott Griffin** for allowing us to continue a fantastic fundraiser and also to the dealers who bought raffle tickets and of course to; **Sally Johnson, Martha Davis, Briita Ehlers** and **Ryan Johnson** who helped sell these tickets which raised over \$390 to support youth activities throughout the year.
