Early Visit from Santa in December

We had an early visit from Santa at our December General meeting. All of our members in attendance received a gift from Santa himself. Our January speaker will be **Chuck Call** on Mexican Libertads. So be sure and come enjoy a truly educational talk from one of our members!

In Loving Memory

Unfortunately one of our fellow numismatists has passed away. **Bob Sturn** from Alameda Coin Club passed away on December 26th. He was the editor of "The Thick & Thin Times" for the past twelve years and the bourse chair for many years. Our condolences are with the family.

Get Well Soon

Our best wishes to **Chuck Colburn** and **Dennis Jow**. We wish both our members a speedy recovery. Unfortunately both have fallen ill but we look forward to seeing both at our upcoming shows and meetings.

Be on the Lookout

Unfortunately yet another one of our dealers has been robbed. With an increase of robberies amongst local and nationwide dealers, and hobbyists we all need to be aware of our surroundings. One of our dealers in Oregon was recently robbed; a list of the material that was stolen has been supplied by the dealer and is available upon request. Also visit www.numismaticcrimes.org this site focuses on crimes related to numismatics and has many resources dedicated to educating hobbyists and dealers about what's going on around the United States. A list of materials this dealer is missing will be made available to our dealers at our upcoming show. If you see something out of the ordinary at our show let our security know and they will be able to handle it from there.

Educational Symposium

At our show in January we will also be having an Educational Symposium on Saturday January 25th in the 'San Jose Meeting Room'. The featured speakers will be **Susan Trask** "Civil War Tokens" at 1pm and **Herb Miles** "Women of the Revolutionary War" at 2pm. All attendees who attend both programs will receive a complete set of 2013 National Historic Park Quarters!

The San Jose Coin and Collectibles Show is here!

We have our show approaching us quickly, so we hope everyone would consider helping at our annual show by volunteering for some of the tasks involved in putting on the show. If you are interested in helping at the show please let **Ray Johnson** or **Ryan Johnson** know at the January General Meeting on January 8, 2014. We can always use volunteers on the weekend for manning the front desk, and assisting in selling raffle tickets. If you are interested in helping with the front desk be sure to see **Bill Higgins** at the General Meeting. We have over 4,000 raffle tickets that need to be sold between now and during the show. We would appreciate any help we can get to tackle all these jobs. **Gordon Stubbs** has the raffle tickets and will issue them to whomever wishes to help sell them. As a bonus you get a free ticket for every two books you sell, there are 6 tickets to a book at \$2 each or 6 for \$10. If you sell more singles and want to keep the extra ticket for yourself you can. But for every \$20 you turn in you get a free ticket as well! So, it can work out for you two ways. We have some good prizes this year again, even with the price of gold! We look forward to seeing you at the show and helping out to make the show a continued success. Also we need exhibits for our show, so we are including an application in this newsletter. Exhibits are all non-competitive.

OLD BUSINESS:

Fred Davis inquired about whether or not to pay for the upcoming year of parking at Lockheed Martin and also what the status was of the repairs on the trailer are. **Ed Sins** asked what the condition of the tires were and **Fred Davis** stated they were still holding air. **Ryan Johnson** reported that **Larry Benson** had given a report to **Ryan** about what he felt was wrong with the trailer. **Ryan** reported that he didn't feel the report was complete due to the fact the trailer was still fully loaded when **Larry** had evaluated it. It was suggested we unload the trailer at the show and take the trailer in for an estimate for repairs. A motion was made to authorize up \$1000 dollars to repair the trailer if it can be done on the spot. **Ray Johnson** seconded the motion. The motion was amended to get an estimate of the cost of the repairs. The motion was tabled and not voted on.

Ken Barr presented a summary of the last 10 years of the raffle (Handout). It showed an average loss of \$9 a month.

NEW BUSINESS:

Ed Sins reported that he would like to make a presentation about a Canadian Type set 1858-1967 later in the year around May.

SHOW BUSINESS:

Ray Johnson reported that we have rented 58 cases and 27 lamps, and we also have 7 new dealers for the 2014 show. **Ray** also reported that he would like the dealers to use 100 watt incandescent light bulbs to save energy. It was suggested we purchase more garbage bags before the show. **Keith Scott** reported that he is going to condense the amount of electrical in the tubs weighing no more than 60 lbs. **Ed Sins** stated he is going to write an article for the show program.

Ed Sins moved for adjournment, the motion was seconded. Meeting adjourned at 8:58 pm

December 30th Emergency Board Meeting

President, Bill Meadows called an emergency board meeting to order at 7:36 PM and opened the meeting with 10 seated Board to discuss the Trailer. The Meeting was held at Denny's Located on 2077 North First Street, San Jose, CA. **Keith Scott** made a proposal for eliminating the trailer completely, the proposal was to build 5 case carts storing 20 cases per cart, redoing the shelving in the locker to accommodate cases being stacked 3 high, removing the club library out of the locker, and renting a U-Haul truck to transport the material to and from the show. **Ryan Johnson** presented his proposal of purchasing a trailer (handout) to be able to store all of the show material in the trailer throughout the year and loading and unloading the trailer once throughout the year for the show. **Dean Birge** made a motion for **Ryan** to purchase the trailer and spend no more than \$7,000 or equivalent. The motion was seconded with 0-Opposed.
