## Library Books!

As we all know one of the perks to being a member of our club is the ability of checking out books from the club library. The books are a great form of resource material for further educating yourself and other members in the hobby of numismatics. However, we do try to keep our library up to date and filled with resources for members to use. With that being said, if you have checked out a book and haven't renewed your rental, please either renew it or return it, so other members can use our books.

## Club Membership Dues Are Due!

It's that time of the year again! Membership dues are due! If you're not sure if you need to renew your membership contact membership chair **Ed Sins** at our general meeting. Or you can mail your renewal to our Club. P.O. Box 5621 San Jose, CA 95150. Please note membership dues and newsletter dues at completely separate. To receive a hardcopy of the newsletter via mail it costs \$12 extra per year regardless of being a life member or not.

## Important Update!

Unfortunately as most of you know our newly elected President **Gordon Stubbs** has resigned due to personal reasons. **Gordon** has agreed to help and support the club in other capacities! We wish **Gordon** much luck in his future ventures and we're glad he's going to continue on with his support for the club. At our last board meeting **Dean Birge** was appointed as the new President. Congratulations Dean!

## **At the June 23<sup>rd</sup> Board Meeting**

Continued from Pg. 2

It was suggested to just mail the clock instead of a picture. **Ed Sins** reported that we missed our clubs 800<sup>th</sup> meeting anniversary last month and that so far we have only had one skipped meeting. **Ryan Johnson** requested the Recording Secretaries reports again from **Lyle Okamoto** to complete the records, **Lyle** stated he's trying to find them. **Sally Johnson** reported that Cupertino Coin Club still owes \$150 for renting San Jose Coin Clubs equipment for 2009 and \$150 for 2014. **Sally** stated she was incredibly offended by **Gary Acquistapace** stating that her records were not accurate and passed out copies of the checks that have been cashed from Cupertino Coin Club and checks that were never received. **Fred Davis** stated it will be brought up at the CCC board meeting on Wednesday. **Sally** passed out an updated rental agreement. **Ryan Johnson** made a motion to accept the contract and to amend the contract to state the cost of \$150 to be placed on the contract, and to change the dates of when the money is due from March to July. **Ray Johnson** Seconded the motion. 0-Opposed.

### NEW BUSINESS:

**Martha Davis** reported that the storage fee is due for the trailer at Lockheed Martin. **Martha** also reported that **John Jencek** is looking to rent 50-75 cases for his show in San Francisco. Discussion followed whether or not it was possible to get someone to take the cases to San Francisco, no one volunteered. **Ed Sins** made a motion to decline. The motion was seconded, 0-Opposed. **Sally Johnson** reported mail problems with mail being opened by the corresponding secretary and emailed

to individuals. **Sally Johnson** presented emails that the corresponding secretary sent out containing bank statements, letters from the county, and letters from Willow Glenn storage. **Sally** made a request to not have club mail opened that is addressed to her. **Gordon** stated that just because that mail is addressed to the club, but it doesn't mean that it needs to be shared. **Sally** asked the question as to why discrediting information is being shared about the board and wanted to know why emails are being sent in an attempt to destroy the club. **Harold Woron** stated that the club needs to try and reach out to younger people and newer people. **Ryan Johnson** suggested looking at an alternative day aside from Monday for board meetings due to the fact our show usually concludes the day before the meeting and there is insufficient time to gather information for the meeting as well as with the stadium coming in the freeways are going to be more congested on Mondays. **Lyle Okamoto** ask if **Gordon Stubbs** is now considered the Immediate Past President, discussion followed as to whether or not to have both individuals be the immediate past president or just one of the individuals. **Ray Johnson** made a motion to accept **Gordon Stubbs** and **Bill Meadows** as immediate past president. The motion was seconded with 0-Opposed.

### SHOW BUSINESS:

**Ray Johnson** stated that **Dean** needs to appoint a bourse chairman. **Ray** also stated that he wishes to no longer be bourse chair. **Ray** asked **Ken Barr** and he turned it down. The 2015 contract has already been signed and **Ray** will update the bourse apps and advertising material until a new chair has been appointed. **Ryan Johnson** agreed to continue as the General Show Chair.
