November Meeting

What’s in the Box? Part 2

San Jose Coin Club Life Member Michael Turrini will again entertain and inform us of interesting items that he has collected over the years as a numismatist, ANA Governor, CSNA President, president and officer of many, many coin clubs and a high school educator. We heard many interesting facts in his June 2019 talk and I’m sure this will be a continuation of more good interesting “Stuff”!

You can also share some of your own interesting anecdotes!

House Rules

SJCC is a volunteer club which depends on its members volunteering their time and giving donations. With no custodian to setup or clear the hall, **please help with the setup & cleanup.** We also need people to help with the refreshments. (see Keith)

During the auction and speakers **Do Not Talk!** Nap or read a book if you are bored!

The back tables are for the Library & bourse. Bourse tables are first come, first serve with only sellers/helpers seated at the table. **There is no dealing during the meeting,** only before/after or at breaks.

Please have consideration for your fellow collector and help us all enjoy our meetings!

October’s meeting “Giant Auction!”

was a Success with many lots and many good buys! Off course there was spirited bidding on many lots and also the Duds where no one was interested in them. There were Happy Faces and also Long Faces BUT you can never please everyone. Many members were glad to see what other members bought and what their coins were worth when others sold/bought them! Auctioneer **Ken Barr** deserves a **Big Hand** for his adept handling of the bidding which went VERY smoothly! Also helping were auction chair **Scott Safe** and runner **Keith Scott**.

The **Giant Auction** is an annual affair that most members look forward to. See you next year –

Same Time, Same Place!

Our 2020 medal featuring the 1914 Ford Model T Touring car (**Sally Johnson’s** design) is at the minter and will be available.
