March's Meeting

Bill Hur. will give a presentation on collecting "Chuck E. Cheese Tokens". This talk is quite appropriate as this is the Chinese Lunar Year of the Rat and the rat is considered a smart animal. Production of the tokens began in 1977 and ended in 2016, so a year set would be 40 tokens. Did you know that there are 6 different rat/mouse head designs? There are **268** regularly issued tokens in a complete set (434 if you include proofs and altered tokens). Learn many more interesting facts at Bill's Power Point slide show at our March meeting.

It's NOT a Mickey Mouse show!

Do You want to be Famous?

Put on your thinking cap and use your artistic creativity to design our 2021 club medal. We will be voting on the winning design at our April 8th meeting. Winning designer will have their initials on the medal.
